Entry Kit for The 2018 Stevie® Awards for Great Employers

Complete instructions about how to prepare and submit nominations to the awards for the world's best companies to work for

We invite your organization to submit nominations to the 2018 Stevie® Awards for Great Employers. This program recognizes the achievements of the world's best employers, in a wide variety of categories for organizations, individual human resources teams and professionals, new products and services that help to create and drive great workplaces, suppliers to the industry, and more.

All organizations worldwide are eligible to submit nominations: large and small, public and private, for-profit and non-profit. Nominations may be submitted by individuals or organizations, and must be submitted in English.

The Stevie® Award trophy, the prize that is conferred in the Stevie Awards for Great Employers and all other Stevie Award programs, is one of the world's most coveted prizes.

Many of the world's largest and most famous companies have won Stevie Awards. Most of our winners each year are small and midsize companies that are still growing and building their brands, however.

This booklet explains how to prepare and submit nominations to the Stevie Awards for Great Employers. The first important step to entering is to review the categories and to choose the categories in which you'll participate. There are many categories to choose from, including the following:

Employer of the Year Categories	see page 6
HR Achievement Categories	see page 7
HR Individual Professional Categories	see page 9
Solution Provider Categories	see page 11

We hope your organization will submit entries to the 2018 Stevie Awards for Great Employers. Please don't hesitate to contact us with your questions about how to participate.

How the Stevie® Award Winners Will Be Determined

Judging of entries will be conducted over two months, from July to August, by judging committees focused on the main category groups. Judges will be both volunteers and invitees. Many of them will be past Stevie Award winners. Judges' average scores will determine the Stevie Award winners, with the exception of the Employer of the Year categories. In the Employer of the Year categories, winners will be determined by a unique blending of the average scores of the judges with the votes of the general public. Each public vote will add .001 points to the judges' average; that is, one full point will be added to the average score for every 1,000 votes received from the general public.

Finalists will be announced on August 15, and the Gold, Silver and Bronze Stevie Award placements will be revealed during an awards dinner in New York City on September 21.

Every category in which there is at least one nomination with a final average score of at least 7.25 out of a possible 10 will have a Gold Stevie Award winner. Otherwise, the nomination with the highest average score in a category will win the Gold Stevie Award trophy in that category. Every other nomination in the category with an average of at least 8.0 will win a Silver Stevie Award medal. Other nominations with an average score of at least 7.25 will win Bronze Stevie Award medals.

Grand Stevie Award Winners

A Grand Stevie Award trophy will be awarded to the organization with the highest overall point total in the awards. The winner will be determined by a points system based on the total number of awards won in the Stevie Awards for Great Employers, with a Gold Stevie win counting for 3 points, a Silver Stevie for 2 points, and a Bronze Stevie counting for 1.5. Points cannot be counted more than once in calculating the total (i.e., points won by an agency in its client's name cannot be counted a second time in the agency's name). A second Grand Stevie Award will be presented to the nomination with the highest average score from the professional judges.

Entry Preparation Tips

1. Write Your Entries Before Submitting Them

Write your entries offline, so that you have a permanent record of them. It will then take just a few minutes to submit them through our easy-to-use online submission system. Don't write your entries spontaneously online — if something goes wrong with your computer or there's a momentary glitch in our online system, your work may be lost.

2. Include Supporting Materials and Links

Attaching supporting files or web URLs to your entries is optional, not required. But we strongly recommend that you include supporting materials with your entries because you will receive extra points from the judges for including them. At the very least, include a link to your organization's website.

3. Focus on Achievements During the Eligibility Period

The eligibility period for the 2018 Stevie® Awards for Great Employers extends from January 1, 2017 through July 18, 2018 (the last day that entries will be accepted). While your entries may make reference to achievements from before this period, they should focus extensively on achievements during the eligibility period. The judges will not give high scores to your entries if they don't.

4. How to Submit Entries for Multiple Clients

If you're with a public relations or marketing agency and you want to submit entries on behalf of multiple clients, you don't have to create separate entry-submission accounts in our online system for each client. You will be able to create a separate "nominee" for each of your clients, and submit each clients' entries under their own nominee name.

5. Test Your Links

If you include links to online videos, images, or other supporting materials with your entries, test your links before you submit your entries. Preview an entry before your submit it, and click your links in it to ensure that they are valid and will present to the judges the content you would like them to see.

The Stevie® Award

The Stevie Award trophy is one of the world's most coveted prizes. Since 2002 the Gold Stevie Award has been conferred for achievement in business to organizations and individuals in more than 60 nations.

The name Stevie is taken from the name Stephen, which is derived from the Greek for "crowned."

The crystal pyramid held aloft by Stevie represents the hierarchy of human needs, a system often represented as a pyramid that was developed in the 1960s by psychologist Abraham Maslow, who observed that after their basic needs are met, human beings seek the esteem of their peers.
