# **Mistress of Ceremonies**

Model, broadcaster, professional emcee, news anchor, television host, instructor, English lecturer, business entrepreneur, voice actor, more Korean than a native Korean: Lisa Kelley. There are numerous titles associated with Lisa Kelley but if you had to describe her in one phrase it would be an entertainer or communicator overflowing with excitement.

Most famous for co-hosting the popular program English Café on Korean network EBS, Lisa debuted as a model and has worked in television and radio, online and offline for more than 25 years on EBS, Arirang TV, Traffic Broadcasting and many other channels as a host, announcer, instructor, and voice actor.

Most Koreans know Lisa as the voice of various commercials, Incheon International Airport, the metro and bus lines throughout Korea.

Currently the face of Hanwoo Board, she is working hard to promote the Korean beef cattle industry. And she'll soon be the official voice of the 2018 Winter Olympics as the in-stadia announcer in PyeongChang, South Korea.

# Congratulations Melinda McLaughlin and all Stevie Award Honorees

Your leadership and creativity inspire us all!
