MicroStrategy

Welcome to The 11th Annual American Business Awards.

We're pleased to stage this awards banquet for the new product & tech categories in San Francisco again.

Everything about this year's ABAs has been outsized: a record number of entries (3,200+), more judges than ever before (320), and the new Grand Stevie® Award trophy.

Tonight we'll announce the winners of the Best of the ABA Awards, five best-of-competition prizes that will be awarded to the organizations that submitted the best body of work to the ABAs, in their own name or in the names of one or more clients. Best of the ABA winners will receive the Grand Stevie Award trophy.

We organize several other awards programs that we invite you to enter. They are The International Business Awards, the Stevie Awards for Women in Business, and the Stevie Awards for Sales & Customer Service. We'll launch our fifth program, the Asia-Pacific Stevie Awards, later this month. Next year we will create the German Stevie Awards. And we also organize the Golden World Awards for Public Relations Excellence on behalf of the International Public Relations Association.

Thank you for your participation and support of the Stevie Awards, and for your attendance this evening. Enjoy the show!
