Welcome to the 2013 Stevie® Awards for Women in Business.

Ten years ago, in this very room, we presented the very first Stevie Awards for women to 19 incredible women and organizations. Since then we've recognized the achievements and contributions of hundreds of amazing women around the world. Congratulations again to all of them... and to all of you!

This year's Stevie Awards for Women in Business received more than 1,200 entries from individuals and organizations in 16 nations. More than 240 professionals around the world participated in the judging process in September-October. The average scores of preliminary judges determined the Finalists. The Gold, Silver and Bronze Stevie Award placements that will be revealed tonight were determined by the members of five final judging committees in late October. All judges are acknowledged in this program.

Tonight we introduce the Grand Stevie Award trophy to the Stevies for women. At the conclusion of tonight's ceremony we'll present Grand Stevies to the five organizations that submitted the best body of entries to this year's competition.

I invite you to stay abreast of what's new in the world of Stevie at our web site, StevieAwards.com, and through our presence on Facebook, LinkedIn, and Twitter.

Thank you for coming tonight. I wish you continued success!

Cordially,

Michael Gallagher
President
