Welcome to The 2019 (17th Annual) **American Business Awards**®, the leading business awards program in the U.S.A. More than 3,800 nominations from organizations of all types and sizes across the country were reviewed by the judges this year. More than 250 professionals participated in the judging process, and all judges are acknowledged in this program.

Every organization in attendance tonight will be called to the stage once—in the order in which they reserved tickets—to accept their Stevie® Awards and to make a brief acceptance speech. The presentations will be broadcast live via Livestream. Stevie winners who are unable to join us tonight can expect to receive their awards by mail within the month.

The American Business Awards is one of seven different **Stevie Awards** programs, all of which recognize achievements in the workplace. Our other programs include **The International Business Awards**®, the **Asia-Pacific Stevie Awards**, the **German Stevie Awards**, the **Stevie Awards for Women in Business**, and **Stevie Awards for Sales & Customer Service**, and the **Stevie Awards for Great Employers**. We invite you to learn about them all at www.StevieAwards.com.

ENTREPRENEUR AWARDS JUDGING COMMITTEE

CHAIR:

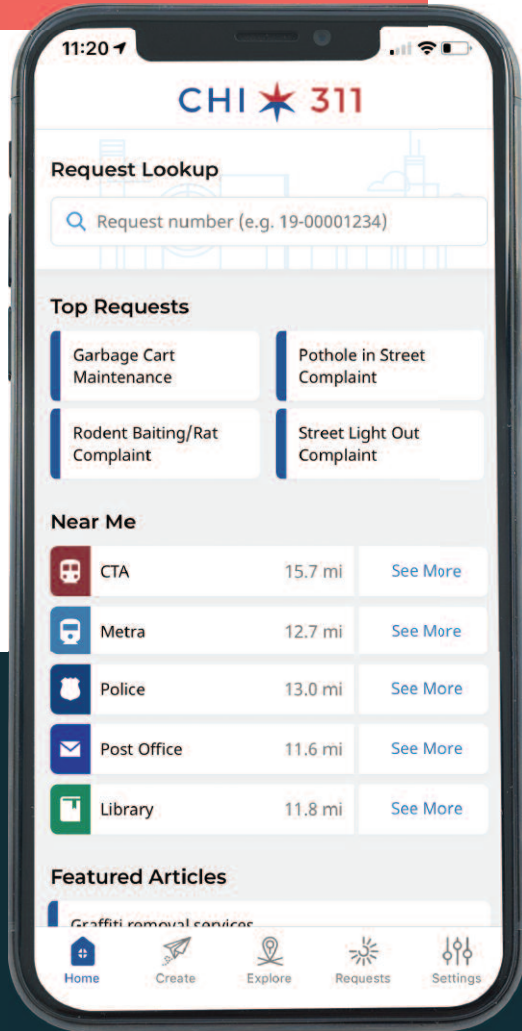

Linda Parry Murphy, Esq.
CEO
Product Launchers Inc. and Unscripted Inc.
White Plains, New York, USA

“Being asked to judge The 2019 American Business Awards has been an honor. We were a Stevie Award recipient last year, so being a Chair this year—and having an insider’s view of the process from the other side—has been fun. The competition was fierce, and it was a challenge choosing the winners from so many talented, qualified candidates, and really good companies! Those that have won are true standouts and should be proud of their achievements. The American Business Awards does a great job with these awards.”

INFORMATION TECHNOLOGY AWARDS

JUDGING COMMITTEE

CHAIR:

Arvind Kumar

Advanced ERP Solution Architect/

Information Technology Manager

Derex Technologies

Portland, Oregon, USA

"As Chair of the Information Technology Awards Judging Committee, I was so impressed by the number of new, efficacious IT techniques/solutions that are being developed and used in the world of big data.

This committee had the maximum number of entries to review, especially in the last weeks of judging — it was overwhelming! I was very impressed, however, by the enthusiasm and participation from every team member on my Committee. The hard work and contribution of time by these judges made a big difference."

Fannie Mae is on all the right lists.

- ✧ Best company to work in IT by Computerworld
- ✧ Best place to work for LGBTQ+ equality by The Human Rights Campaign
- ✧ EPA Energy Star® Partner of the Year

Fannie Mae®

Now, we have another reason – actually, several more reasons – to stand tall.

As the winner of eight American Business Awards, Fannie Mae is honored to be in such good company with other leading businesses.

Our three wins in finance, another for artificial intelligence, and four awards for creative services – including a Stevie Gold – represent why Fannie Mae is a top workplace with award-winning teams.
