- ✓ Time and Attendance
- ✓ Hiring
- ✓ Learning
- ✓ Performance Management
- ✓ Surveys
- ✓ People Analytics
- ✓ Compensation Management
- ✓ Time Off
- ✓ Onboarding
- ✓ Your Voice

Say hi to Bob

Welcome to the combined ceremony for the ninth annual Stevie® Awards for Great Employers and the first Stevie® Awards for Technology Excellence. We congratulate you and your organizations on your achievements that made you a Stevie Award winner.

The Stevie Awards for Great Employers recognize the world's best companies to work for, and the HR teams, professionals, achievements, new products, and suppliers that help to create and drive great places to work. Winners were determined by the average scores of more than 130 professionals.

The Stevie Awards for Technology Excellence celebrates the remarkable accomplishments of individuals, teams, and organizations shaping the future of technology across all industry sectors. Winners were determined by the average scores of more than 100 professionals.

Every organization in attendance tonight will be called to the stage at least once to make a brief acceptance speech. Your awards will be distributed in Stevie Awards bags in the foyer after the ceremony.

Stevie Awards competitions receive more than 12,000 nominations each year from organizations of every type in more than 70 nations.

The Stevie Awards for Great Employers and Stevie Awards for Technology Excellence are two of nine different Stevie Awards programs, all of which recognize achievements in the workplace. Our other programs include The International Business Awards®, The American Business Awards®, the Asia-Pacific Stevie® Awards, the Middle East & North Africa Stevie® Awards, the German Stevie® Awards, the Stevie® Awards for Women in Business, and the Stevie® Awards for Sales & Customer Service. We invite you to learn about them all at www.StevieAwards.com. We congratulate you once again for winning a Stevie Award in the 2024 Stevie Awards for Great Employers and Stevie Awards for Technology Excellence. Best wishes for continued success!

Cordially,

 Maggie Miller
 President, The Stevie® Awards

Transforming Healthcare Technology... Together.

ModMed® is transforming healthcare by placing doctors and patients at the center of care through an intelligent, specialty-specific cloud platform. We work with industry leaders to streamline integration and leverage clinical data to build solutions designed to help medical practices save time and improve outcomes.

Our all-in-one solution provides practices with clinical, financial and operational software that helps them grow and scale.

It bridges the gap between front and back offices, providing medical practices a comprehensive SaaS-based offering that supports:

- Office & Administrative
- Clinical Documentation
- Patient Engagement
- Payment Processing
- Data and Analytics
- Value-Based Care

See how we're modernizing medicine

THANK YOU TO OUR SPONSORS

WINNERS

GRAND STEVIE AWARD WINNERS

ORGANIZATION OF THE YEAR:

For the second year in a row, **Bank of America** has won the Grand Stevie for Organization of the Year, on the strength of 52 award points earned by nine Gold, eight Silver, and six Bronze Stevie Award wins. To determine the Organization of the Year Grand winner, each Gold Stevie win counts for three points, each Silver Stevie for two points, and each Bronze Stevie win for one-and-a-half points.

HIGHEST-RATED NOMINATION OF THE YEAR:

The Grand Stevie Award for the Highest-Rated Nomination of the Year goes to **Eren Enerji** for their nomination "Eren Enerji's Corporate Social Responsibility Projects," the Gold Stevie winner for Best Corporate Social Responsibility Strategy. Eren Enerji's nomination received an average score of 9.6 out of a possible 10 from the judges.

CONGRATUATIONS TO HEMANTH VOLIKATLA FOR WINNING A LIFETIME ACHIEVEMENT STEVIE AWARD 2024 IN THE FIELD OF INFORMATION TECHNOLOGY

HEMANTH VOLIKATLA: A TRAILBLAZER IN AI, CLOUD TECHNOLOGY AND SUPPLY CHAIN OPTIMIZATION

ABOUT

Hemant Volikatla, Senior Technical Service Manager at SAP Americas, is making waves in the technology sector with over 20 years of experience in diverse technologies. His expertise includes SAP, Microsoft, Java, major databases (SAP HANA, MSSQL, Oracle, Sybase), AI, GenAI automation, and cloud platforms (Azure, AWS, GCP).

Volikatla's groundbreaking work in AI and Machine Learning has positioned him as a leader in driving business innovation and solving complex challenges. His research focuses on optimizing supply chain management through advanced technologies, including AI and ML, to enhance decision-making, forecasting, and resource allocation. Recognized globally for his contributions, Volikatla has been honored with numerous prestigious awards, including the Lifetime Achievement Stevie Award 2024, Global Recognition Award, Globe Award, and International Achievers' Award in the field of information technology. His scholarly work, numerous patents, and impactful innovations have earned him esteemed accolades such as IEEE Senior Membership and various fellowships. Dedicated to advancing technology, Volikatla continuously evaluates and improves solutions, staying at the forefront of emerging trends and best practices. His recent patent applications filed at the UKIPO highlight his ongoing commitment to solving data platform challenges and enhancing supply chain efficiency.

Committed to technology advancement, Volikatla actively improves solutions and stays updated with trends. His recent UKIPO patent applications underscore his dedication to solving data platform challenges and enhancing supply chain efficiency. Hemant Volikatla's career is a testament to his passion for technology and his relentless pursuit of excellence, driving significant advancements in the field of information technology for SAP, AI, cloud technology, and supply chain optimization.

PATENTS

His latest patents, filed with the UK Intellectual Property Office (UKIPO), showcases his commitment to solving complex data platform challenges and optimizing supply chains. These patents include:

REAL-TIME INVENTORY OPTIMIZATION VISUALIZATION DEVICE

Patent 6368372

This device features an interface designed to enhance supply chain efficiency through real-time inventory management.

SAP-INTEGRATED MANUFACTURING EXECUTION DEVICE

Patent 6368373

Seamlessly integrates with SAP systems to streamline production processes.

SUPPLY CHAIN OPTIMIZATION COMPUTER USING AI, MACHINE LEARNING AND BIG DATA

Patent 6368374

Leverages advanced technologies to improve supply chain management and decision-making.

INTELLIGENT MANUFACTURING COMPUTER WITH INTEGRATED AI AND DATA ANALYTICS

Patent 6368375

Enhances manufacturing efficiency and quality control through integrated AI and analytics.

AI-ENHANCED DEMAND FORECASTING DASHBOARD DEVICE

Patent 6368422

Provides an interface for optimal inventory management by utilizing advanced demand forecasting.

MANUFACTURING DEVICE WITH REAL- TIME ANALYTICS AND PREDICTIVE MAINTENANCE

Patent 6368423

Employs real-time analytics for predictive maintenance and operational efficiency.

As a renowned author, Hemant Volikatla's acclaimed book, Practical Guide to Cloud-Based Machine Learning: Deploying AI Models in the Cloud, is a top-ranked technology bestseller. For insights into AI and cloud-based machine learning, you can find it on Amazon and Kindle. Volikatla's innovations are generating notable interest from global customers looking to apply these technologies to their needs. His work addresses key challenges in supply chain and manufacturing while setting new benchmarks for efficiency and performance.

2024 STEVIE® AWARDS FOR TECHNOLOGY EXCELLENCE WINNER HIGHLIGHTS

The Stevie Awards for Technology Excellence celebrate the remarkable accomplishments of individuals, teams, and organizations shaping the future of technology across all industry sectors. More than 600 nominations from organizations in 21 nations and territories were evaluated in this year's competition.

GRAND STEVIE AWARD WINNERS

MOST HONORED ORGANIZATION:

Amazon/Amazon Web Services will receive the Grand Stevie trophy as the most honored organization in the 2024 competition on the strength of 21.5 award points earned through five Gold, one Silver, and three Bronze Stevie Award wins. To determine the Organization of the Year Grand winner, each Gold Stevie win counts for three points, each Silver Stevie for two points, and each Bronze Stevie win for one-and-a-half points.

HIGHEST-RATED NOMINATION OF THE YEAR:

The Grand Stevie Award for the Highest-Rated Nomination of the Year goes to **Owkin**, artificial intelligence (AI) biotech that unlocks complex biology to find the right treatment for every patient. The firm is headquartered in Paris, France with locations in Boston, Geneva, London, Nantes, and New York. The firm's nomination "Bringing AI Cancer Testing to Patients with MSIntuit CRC" won the Gold Stevie Award for Technology Breakthrough of the Year – Healthcare, and received an average score from the judges of 9.5 out of a possible 10.
