**HCL congratulates
the 2019 Women in
Business Award Winners.**

We are proud to be the thought leadership partner of some the most influential Women in IT.

Welcome to the 2019 Stevie® Awards for Women in Business.

We welcome the 600+ nominated, inspiring women and their guests who've gathered tonight for our 16th annual Women in Business Awards dinner. We also welcome the thousands of people around the world who will watch our Livestream broadcast of the awards presentations.

This year's Stevie Awards for Women in Business received more than 1,500 entries from individuals and organizations in 25 nations. More than 150 professionals around the world participated in the judging process in September—October. The average scores of the judges determined the Finalists and the Gold, Silver and Bronze Stevie Award placements that will be revealed tonight. All judges are acknowledged in this program.

At the conclusion of tonight's ceremony we'll present Grand Stevie Award trophies to the five organizations that submitted the best body of entries to this year's competition—be sure to stay till the end!

I invite you to stay abreast of what's new in the world of Stevie at our web site, StevieAwards.com, and through our presence on [Facebook](#), [LinkedIn](#), and [Twitter](#).

Thank you for coming tonight, and congratulations again on your achievements!

Cordially,

Maggie Gallagher
President

Mistress of Ceremonies

Model, broadcaster, professional emcee, news anchor, television host, instructor, English lecturer, business entrepreneur, voice actor, more Korean than a native Korean: Lisa Kelley. There are numerous titles associated with Lisa Kelley but if you had to describe her in one phrase it would be an entertainer or communicator overflowing with excitement.

Most famous for co-hosting the popular program English Café on Korean network EBS, Lisa debuted as a model and has worked in television and radio, online and offline for more than 25 years on EBS, Arirang TV, Traffic Broadcasting and many other channels as a host, announcer, instructor, and voice actor.

Most Koreans know Lisa as the voice of various commercials, Incheon International Airport, the metro and bus lines throughout Korea.

Recently Lisa has been the face of Hanwoo Board, promoting the Korean beef cattle industry, and was the English-language announcer in the medals plaza at the 2018 Winter Olympics in PyeongChang, South Korea.

*Data are based on each company's Franchise Disclosure Documents (FDD) for all franchise centers open in 2017, except for Kumon, which are for centers open at least three years, and Tutor Doctor, which are for centers open at least one year. We estimate Club Z! revenue from its financial statement as total franchisor revenue, less purchase of trademarked material and software fees, divided by the average royalty rate, then divided by the number of centers. Grade level results are based on cumulative average grade level increase in reading and math for 17,445 students from 2010 to 2014 using the full set of available student data. SAT, ACT, and scholarship results are based on surveys of 3,289 Huntington® students graduating in 2019.
